NAKABA SUZUKI

THE SEVEN DEADLY SINS

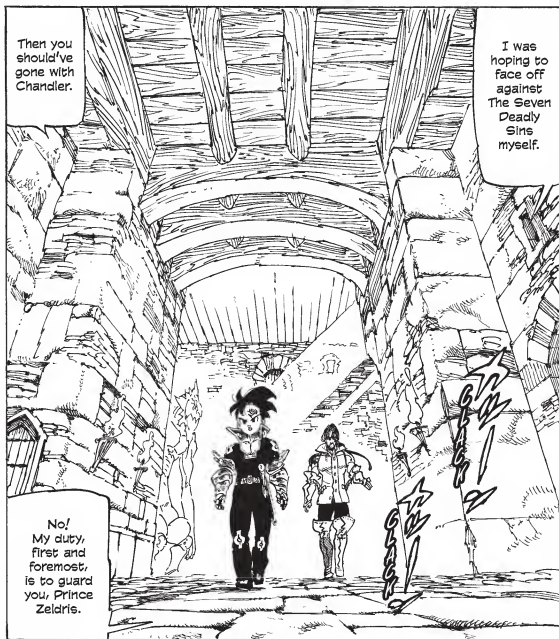

Chapter 237 / The Pacifier Demon

What is?

Still,
it's
too
bad...

Then you
should've
gone with
Chandler.

I was
hoping to
face off
against
The Seven
Deadly
Sins
myself.

No!
My duty,
first and
foremost,
is to guard
you, Prince
Zeldris.

I'll take that as a compliment. It's an honor.

I'm not complimenting you.

You're as smothering as ever, Cusack.

They're not just some unruly mob.

Don't take The Seven Deadly Sins so lightly.

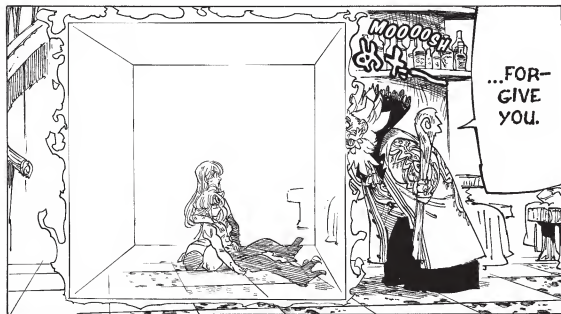

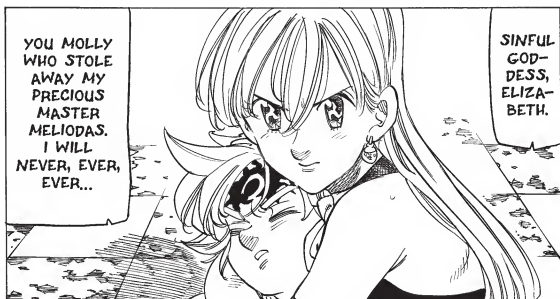

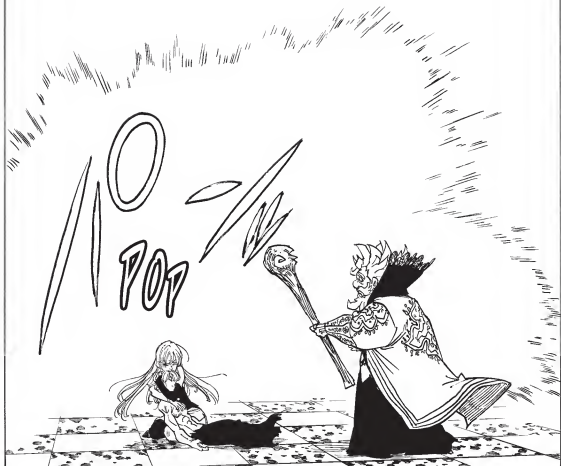

The "Pacifier Demon" still alive and well.

Heh ...

Don't worry. He'll suck on the bones of his enemy to draw out the marrow. His cold-blooded and persistent way of fighting still hasn't changed.

GET
DOWN,
SISSY!

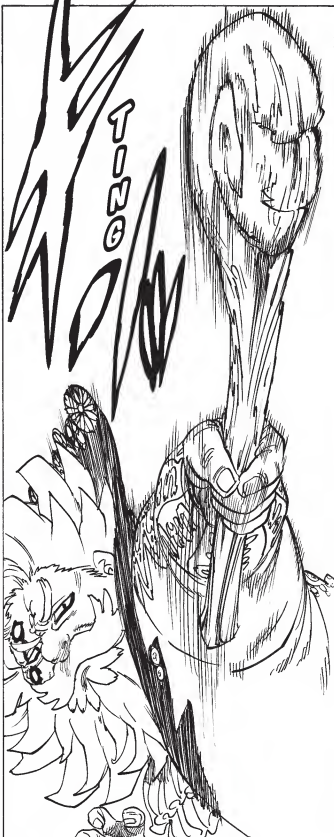

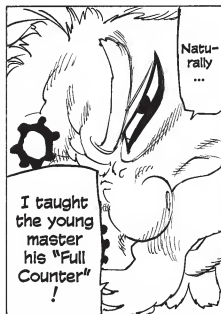

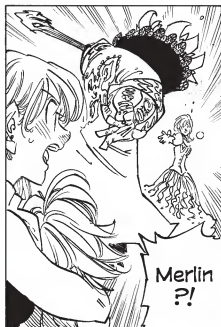

H...he
popped
Merlin's
barrier like
a bubble!

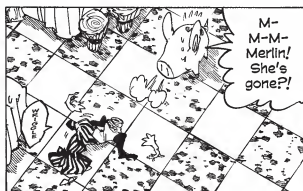

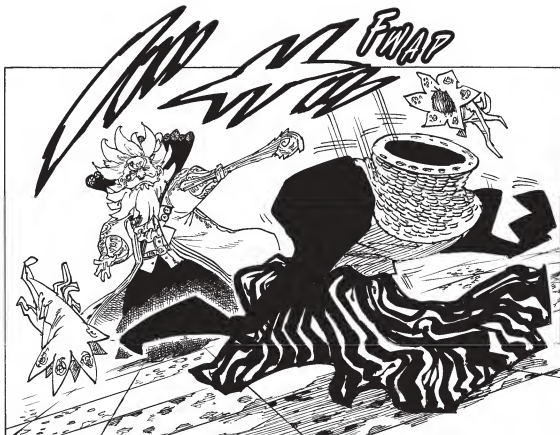

So he
can use
"Ab-
solute
Cancel"
...

It
appears
we
musn't
under-
estimate
our op-
ponent.

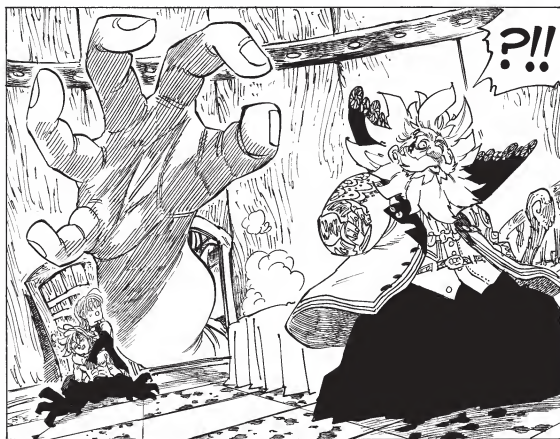

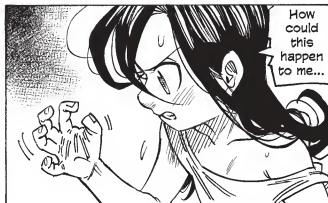

Unfortunately, it was your own magic that got sealed. And it appears the magic you'd cast upon yourself was dispelled too.

A "Magic Seal" huh...

FWAP
FWAP

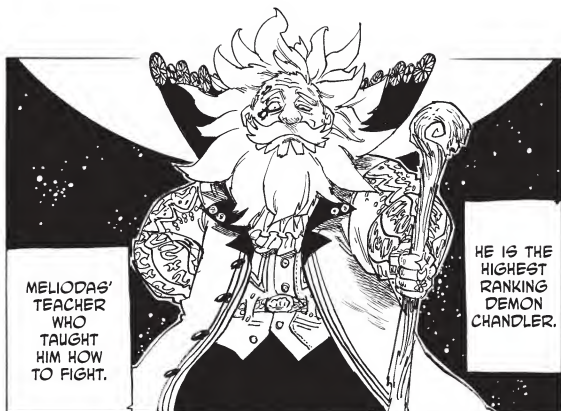

So
that's
your
original
form?
Well,
isn't it
adorable.
Heh heh!

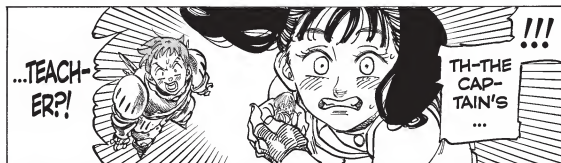

MELIODAS' TEACHER WHO TAUGHT HIM HOW TO FIGHT.

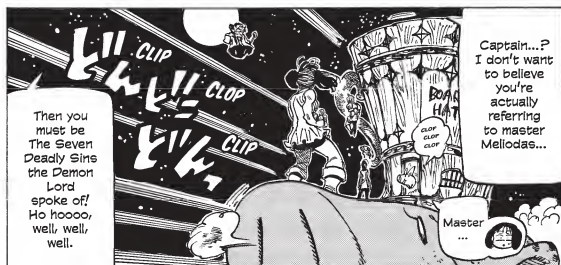

HE IS THE HIGHEST RANKING DEMON CHANDLER.

...TEACHER?!

TH-THE CAP-TAIN'S ...

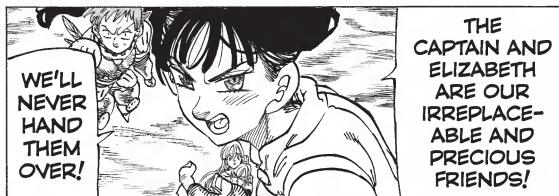

!!!

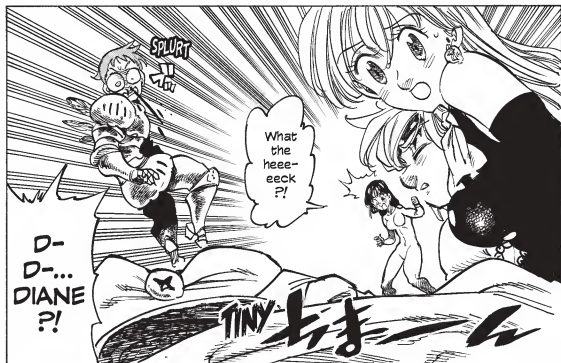

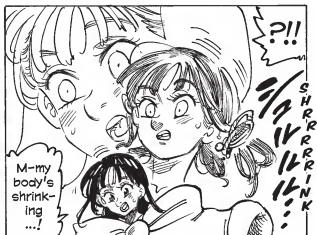

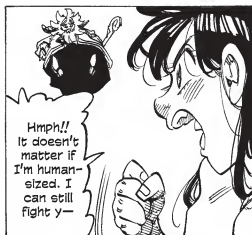

Then you must be The Seven Deadly Sins the Demon Lord spoke of! Ho hoooo, well, well, well.

Captain...? I don't want to believe you're actually referring to master Meliodas...

Master ...

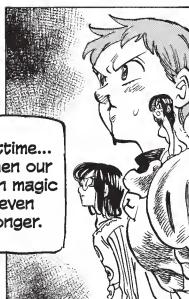

Do you
fellows
enjoy
night?

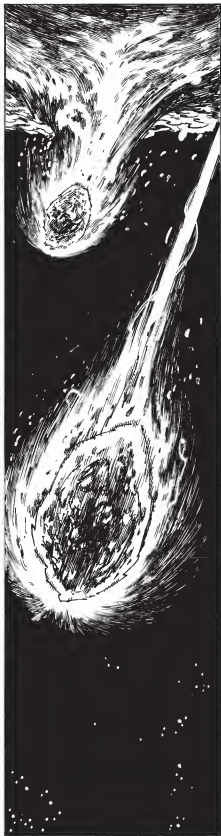

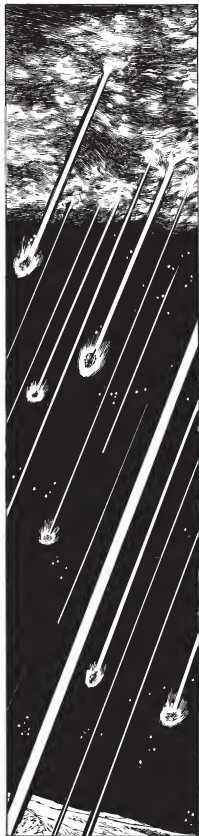

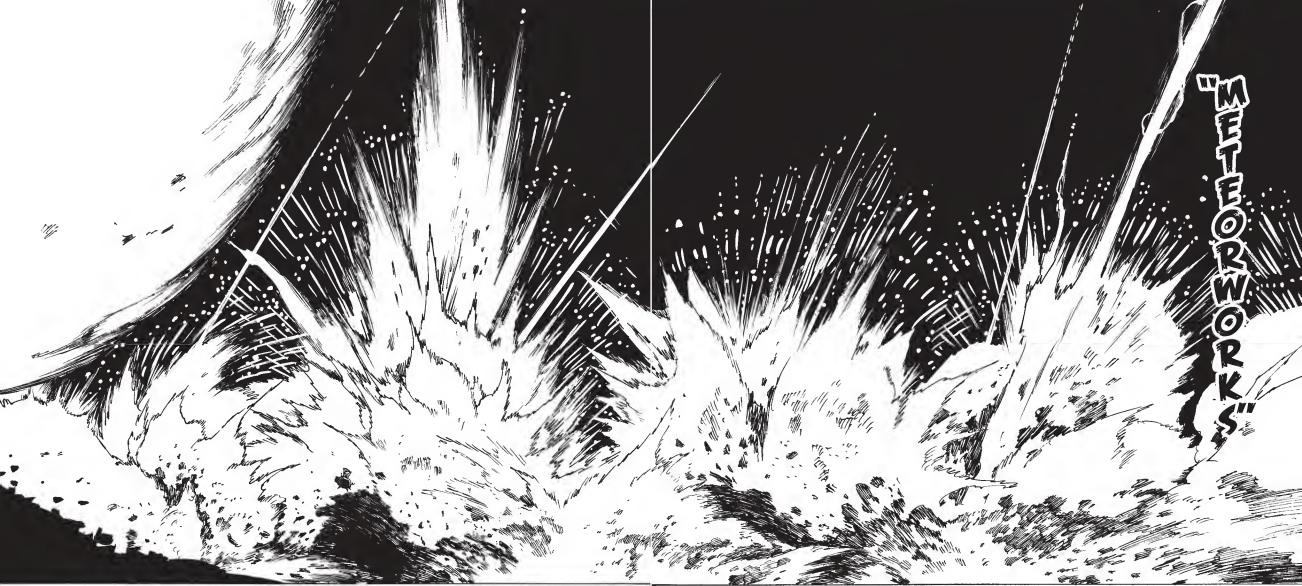

What's
that old
geezer
planning
on
doing?

Nighttime...
is when our
demon magic
is even
stronger.

"FIREWORKS!"

I never
would've
guessed
I'd be
combining
powers
with you!

GLARE

It's a shower
of giant
fireworks to
celebrate
the return of
the master!

TWITCH

SNOOOOINK!

BOOOOOOSH

To be Continued in Chapter 238 / "An Opening Presents Itself"
